

The Problem

Since Roe v. Wade gave American women the right to have an abortion in 1973, the sanctity of life versus women's reproductive rights has been an ongoing conflict. With the recent June 2022 U.S. Supreme Court ruling giving each state's supreme court the authority to determine its abortion law, the controversy continues to cause great division in the country, as it is one of the most contentious and political topics in the U.S. Protests, billboards, fetus photos, statistics, and movies associated with the pro-life message are used to persuade individuals to the right to life. These actions do little to reveal the underlying often unseen truth that life is sacred, created, and given by God alone.

The Solution

Life is beautiful. The art of interpretive and prophetic dance is unveiled as a fresh viewpoint to change the heart and mindset of mankind about the sanctity of life. The arts are the window to the soul and in the film, **I Am Life**, dance will reflect the beauty of God's creation, a child.

Accomplish by...

KING Ministries Dance Company will dance life. The film highlights the initial development and emotions of a child through interpretative and prophetic dance.

I Am Life represents God's dream for each person's life, which is God's desire for each person; and to live life more abundantly.

- Envision Clara's dream from the Nutcracker Suite meets the beauty and grace of Swan Lake with dialog between God and the Child.

The Result

- ❖ Hearts and mindsets are changed in favor of the sanctity of life.
- ❖ People will be drawn to a closer relationship with The Father, The Son, and The Holy Spirit.
- ❖ People will accept Jesus as their Lord and Savior.
- ❖ I Am Life will be used as a Great Commission tool to the world.
- ❖ God will birth something personal in each viewers' life!
- ❖ Lives will be saved.

Final Thought

If the Lord celebrates it, then it's worth celebrating, and He always celebrates life.
