

As we reflect on 2024, we are filled with gratitude and excitement for all God has done through this year. Here are some highlights that showcase His faithfulness and favor over WIM:

A YEAR OF OPEN DOORS

This year, we were reconnected with an angel investor we met a few years ago, whose passion for funding kingdom projects in media and entertainment aligns perfectly with our vision. He is introducing a groundbreaking service that will significantly impact the financial world, and he has identified WIM as one of the projects he is eager to support. In response, we've diligently prepared our team, master planners, and contractors to steward this vision with wisdom and excellence.

IAAPA CONNECTIONS

At the IAAPA Expo, the premier global event for the attractions industry, we were humbled to receive incredible feedback. Some of the companies we met with described our vision as "the best they've ever seen." This encouragement fuels our drive to bring this dream to life!

LOOKING AHEAD TO 2025

Next year promises to be pivotal for WIM Entertainment as we move closer to making this dream a reality. Here's what's on the horizon:

- Securing the land for our project.
- Reengaging with our master planners to advance concept development.
- Laying the groundwork for construction pricing and future development phases.

We're deeply thankful for our investors, donors, and prayer team, who have supported us faithfully since June 30, 2016. Your prayers and generosity are vital to this journey.

FUNDRAISER SPOTLIGHT

We had the privilege of hosting a fundraiser for a talented woman who wrote and produced a powerful film, *I Am Life*.

The movie beautifully celebrates God's gift of 40 weeks in the womb, and we were honored to support her work. Stay tuned for more details and photos from this memorable event.

The Missing Link?

The Kingdom Advancing at IAAPA

THE MISSING LINK?

For years we have been attending IAAPA and seeing technology improve. Yet, the technology we needed to bring the stories to life in ways I saw in the vision of the theme park weren't there yet...until this year! Our master planners Storyland Studios showcased new technology from [Liminal Spaces](https://liminal.space/) that is a game changer. After we returned to Arizona and I was at church worshipping the Lord showed me exactly what we need to use that technology for. This will make the park experience more impactful and personal in such a beautiful way. I look forward to sharing this in the near future.

EXCITING NEWS: STORYVILLE GARDENS IS COMING TO NASHVILLE!

Over five years ago, through IAAPA, we connected with the incredible Guerrier family, whose passion and God-given vision inspired us deeply.

Their project, [Storyville Gardens](#), is a unique theme park coming to Nashville, Tennessee, with a mission to spark joy and promote childhood literacy. By blending fun and learning, they're creating a space where imaginations soar and a love of reading grows—a true Kingdom win! It's been an honor to support their dream through prayer and friendship, witnessing God move as they boldly pursue their calling.

THE KINGDOM ADVANCING AT IAAPA

Join us in celebrating seven years of IAAPA's groundbreaking prayer network, launched by the visionary team at [Storyland Studios](#). This incredible movement has grown from 25 to over 300 participants, becoming the first of its kind in IAAPA's 100-year history.

Together, we've supported and prayed for the themed entertainment industry, witnessing the Kingdom's impact in this unique space. Thank you for being part of this journey—let's continue to lift each other up and advance His work!
